Year 1	**Semester 1** **25,5 CP, 3 DRE**	**M1: Exercise and Sport Psychology**	10		**M2: Human Movement and Motion**	10		**M3: Exercise and Sport Biology**	10		**M4: Advanced Research Methods**	20						
		S1: Theories, Models and Approaches in Sport and Exercise Psychology I	2.0		S1: Advanced Theories in Motor Control and Learning	3.5		S1: Sport Biology	3		S1: Analysis of Complex Datasets – Employing Advanced Statistics Methods – Part A	2.0						
		S2: Applications and Interventions in Sport and Exercise Psychology	3.0		S2: Biomechanics of Human Movement	3.5					S3: Inverse Dynamics of Human Movement	3.5						
											S5: Neurodynamics of Human Movement - Part A	2.0						
		DRE: Oral Exam (30min)	3.0		DRE: Written Exam (120min)	3.0					DRE: None							
	Semester 2 **37,5 CP, 4 DRE**	**M1: Exercise and Sport Psychology**						**M3: Exercise and Sport Biology**			**M4: Advanced Research Methods**			**M5: Skills for Scientific Labor Markets**	16			
		S3: Theories, Models and Approaches in Sport and Exercise Psychology II	2.0					S2: Advanced Theories in Human Performance and Exercise	2		S2: Analysis of Complex Datasets – Employing Advanced Statistics Methods – Part B	1.5		S1: Funding and Planning Research	3.0			
								S3: Applications of Training in Sports and Exercise	2		S4: Forward Dynamics of Human Movement	3.5		S2: Management and Leadership in Research	3.0			
											S6: Neurodynamics of Human Movement - Part B	1.5		S3: Communicating Research	3.0			
		DRE: None						DRE: Written Exam (120min)	3.0		DRE: 1x Written Exams (1&2&5&6-60min) 1x Written Exams (3&4-60min)	3 & 3		DRE: Oral Exam (30min)	2			
Year 2	**Semester 3** **30 CP, 2 DRE**															**M6: Current Research Projects**	15	**M7: Professional Specialization and Project Design**	15
																S1: The craft of drafting relevant research reviews	2.0	S1: Preparation and Retrospection	2.0
																S2: Participating in paper writing	5.0	Work experience	8.0
																S3: Research Project	5.0	Online course	2.0
																DRE: Written paper (7000 words)	3.0	DRE: Written internship report	3.0
	Semester 4 **27CP, 2 DRE**													**M5: Skills for Scientific Labor Markets**	16			**M8: Master Thesis**	24
														S4: Career Service I	1.5			Colloqium	2.0
														S5: Career Service II	1.5				
														DRE: Written Report (10 Pages) DRE: Oral Exam (30min)	2			DRE: Master Thesis and Oral Defense	22.0

DRE = Degree Relevant Examination(s); M = Modul; S = Seminar
