Module overview Master Life Science

Module	ECTS	Grade
Module 1: Main area Chemistry Compulsory	**12**	20 %
Master lectures Chemistry		
Module 2: Main area Biology Compulsory	**10**	20 %
Master lectures VTK Biology		
Module 3: Research internship Compulsory	**20**	20 %
Internship linked to completed Chemistry master lecture (3 weeks:5 ECTS, 6 weeks: 10 ECTS) Internship VTK Biology (6 weeks)	10 10	
Module 4: Elective area Life Science Compulsory	**Mind. 9**	0%
Chemistry and Biology lectures according to module guide		
Module 5: Research or industrial internship Compulsory	**Mind. 9**	0%
Internship VTK Biology (10 ECTS) *and/or* Chemistry internship according to module guide *and/or* External research internship (6 weeks: 9 ECTS, mind. 3 months: 18 ECTS) *and/or* Industrial internship (mind. 3 months, 18 ECTS)		
Module 6: Interdisciplinary competences Elective	**0 - 15**	0%
Courses from Section I Interdisciplinary courses*	0- 15 0- 6	
Module 7: Master's thesis Compulsory	**45**	40%
Master's thesis Colloquium Master's thesis	30 15	
	120	

* Courses from section II or III, SQ-Zentrum, language courses and additional qualification area
