Study Plan

Year 1 (Winter-Semester)

Methods in Life Sciences or Molecular Parasitology (10 CP)

Molecular Infection Biol. F1 (Pract., 10 CP)

Additional Courses

Year 1 (Summer-Semester)

Molecular Biology (10 CP)

Signals and Differentiation (10 CP)

Pathogenicity of Microorganisms (10 CP)

Year 2

Cell and Developmental Biology F1 or Microbiology F1 or Virology F1 (Pract. 10)

Cell and Developmental Biology F2 or Microbiology F2 or Virology F2 (Pract. 15)

Additional Courses

Thesis (25 CP)

Thesis Colloquium (5 CP)
