Module directory and schedule: Sport Science for Health

Year 1

1st Semester

- SPO-14505 (3) **Literature Research, Presenting, & Publishing**
- SPO-14581 (4) **Physical Performance, Training, & Health**
- SPO-14580 (4) **Public Health**
- SPO-14545 (2) **Current Research Topics in Sports Science***
- SPO-14510 (5) Advanced Research Methods I
- SPO-14577 (4) **Exercise Psychology & Health**
- SPO-10150(6) **Advanced Seminar I**
- SPO-14555 (2) **Colloquium**

2nd Semester

- SPO-14515 (5) **Advanced Research Methods II**
- SPO-14560 (12) **Project Seminar I**
- SPO-10160 (6) **Advanced Seminar II**
- SPO-14550 (4) **Journal Club**
- SPO-14582 (3) **Advanced Data Analysis**

Year 2

3rd Semester

- SPO-10140 (6) **Research Workshop**
- SPO-13113 (12) **Project Seminar II**
- (12) **Internship**

4th Semester

- (30) **Master Thesis**

Modules

1. **Research methods**
2. **Topics and theories in sport science for health**
3. **Specialization of current research areas in sports science for health**
4. **Discussing and debating about sport-scientific research**
5. **Research project I**
6. **Research project II**
7. **Internship**
8. **Master thesis**
